FOLIARS/GRANULARS/SEAWEED SOLUTIONS

Unique, Versatile, Cost-Efficient

Ocean Organics' high-performance surfactants optimize nutrient and water use efficiency while helping boost plant fitness. Each formulation contains a surfactant, an infiltration agent, and a biostimulant.

Nautilus®

Nautilus® uses capped chemistry to promote drier and firmer playing surfaces; consistent, uniform root zone soil moisture; and a slower, more consistent dry down that reduces hand watering.

Size: 2x2.5 gal cases, 30 gal drums, 275 gal totes

Privateer®

Privateer® treats Localized Dry Spots (LDS) while increasing moisture uniformity in the root zone. Can be used as a curative or as a monthly program product.

Size: 2x2.5 gal cases, 30 gal drums, 275 gal totes

Mariner®

Mariner® uses straight block chemistry to promote firmer and drier playing surfaces and improved root zone moisture uniformity when used in either a short or long term program.

Size: 2x2.5 gal cases, 30 gal drums, 275 gal totes

Helmsman®

Helmsman® promotes firmer and drier playing surfaces on fairways and fine textured soils.

Size: 2x2.5 gal cases, 30 gal drums, 55 gal drums, 275 gal totes

TopSail®

TopSail® is our unique blend of surfactant molecules for use on fairways and fine textured soils.

Size: 2x2.5 gal cases, 30 gal drums, 55 gal drums, 275 gal totes

Windjammer®

Windjammer® is our blend of unique surfactant molecules that provide firm, dry, and fast surfaces and superior turf quality.

Size: 2x2.5 gal cases, 30 gal drums, 275 gal totes
